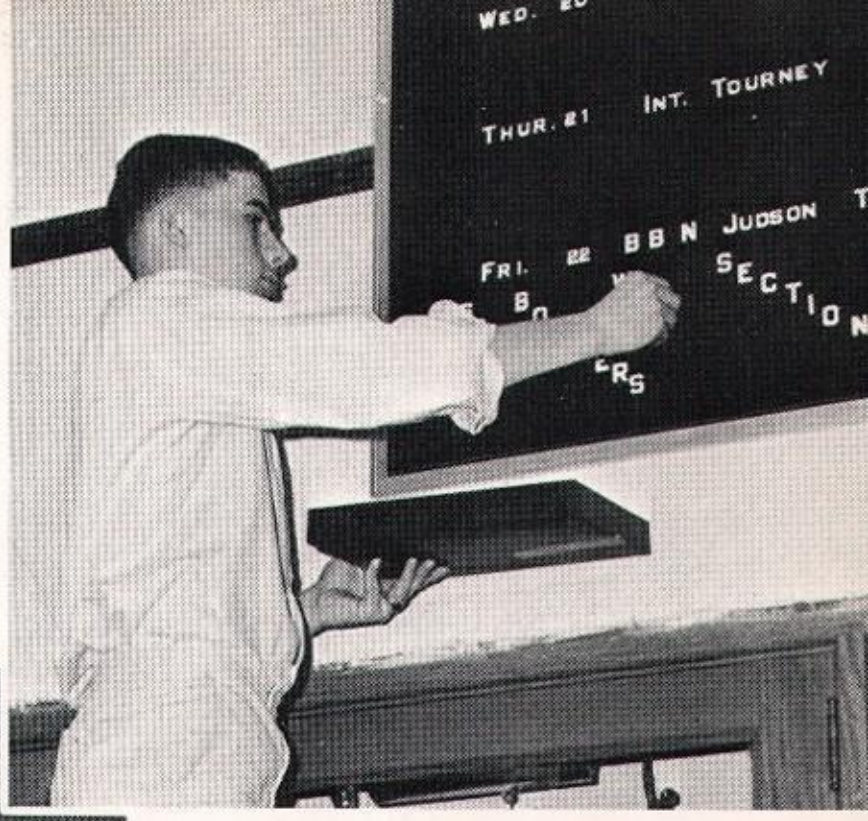
FOUNDATIONS FOR THE FUTURE . . .IN ACTIVITIES

WE BUILT FOUNDATIONS FOR THE FUTURE BY HAVING ENTHUSIASM FOR ACTIVITIES.



Individuals developed musical ability and learned to work for an organization.

. . .IN ACADEMICS

Although band students had fun, they worked hard too.

Mr. Coleman's advanced algebra class listens intently as he explains what "X" equals.

KNOWLEDGE--THE GREATEST STONE IN BUILDING A FOUNDATION FOR THE FUTURE. WE WORKED HARD TO ADVANCE OUR SCHOLASTIC ABILITY...AND TEACHERS SERVED AS GUIDES TO A SUCCESSFUL FUTURE.

Here teachers are relaxing in the newly furnished teachers' lounge between classes.

...IN CITIZENSHIP

CITIZENSHIP TRAINING IS ONE OF THE MOST IMPORTANT STEPS IN OUR FOUNDATION FOR THE FUTURE.

We learn and practice good citizenship both in the voting booth and on the football field.

ALL SCHOOL PLAY

"The Man Who Came To Dinner"

This light-hearted comedy is the story of a cranky playwrite who upon entering the home of an ordinary American family during one of his lecture tours for a dinner date, falls on the steps outside their home. While recuperating in their home during Christmas, he completely dominates the house and its inhabitants, much to the anger of everyone. His frequent visits from Hollywood entertainers and the love of his secretary add to the confusing situation. This play contains jealousy, love, wit, deceit, and anger.

THE BLUE ROOM

On May 4, 1962, the Class of '63 opened the doors and set the mood for a long-to-be-remembered evening.

As the couples walked into "The Blue Room," the sound of the LaPorte H. S. Dance Band floated through the air.

The seniors and their guests propose a toast to a wonderful evening.

We will always remember the grand march and the confetti in our hair at the Junior-Senior Prom.
